

G.A.A. IN MY SCHOOL

**G.A.A. in my school is so much fun,
We pass the ball to everyone,
You can kick the ball as hard as you can,
And stop the ball from getting to 'your man'.**

**In all honesty Gaelic can be rough,
And your opponent can be very, very tough,
But that's when you tuck your shirt in tight,
And step onto the field and give it all your might.**

**You can kick the ball really far,
And if you're lucky it'll go over the bar,
I love wearing the green shirt with my special school crest,
And I love it when we all try our best.**

**When we win we scream and shout, "Hooray!"
And our coach will say, "Well played today!"
Later that week we'll train outside,
And I'll wear my school shirt with pride.**
