

Dear Parents

We all know that the past year or so has been different and many schools have missed out on the yearly school photos. mdpics and St Patrick's PS Magheralin are trying to organise a school photo session on

May 14th 2021

to be held at the school in an outdoor temporary marquee.

This is to allow social distancing and to maintain the school's strict covid policies.

We will sanitise the posing area after each class bubble has finished and will also sanitise any touch points.

Our staff will wear masks and will sanitise their hands regularly

Our aim is to take two or three different poses within the limitations of the marquee.

Sibling photos will be possible but will be taken at the end of the session and the children will then have to be collected and go home. We cannot have siblings returning to their relevant classes due to the mixing of bubbles. This year we are concentrating on Reception, P1, P2 and P7 but if any other child wants their photos taken then you may also complete the form. The form can be found at

Please copy and paste this link into a browser, complete the form and you MUST submit it before May 7th.

If you require any further information please call us on 028 9244 0036 or email us at michael@mdpics.co.uk

Thank you

Michael D'Cruze

We offer a multi pose photo session where we aim to get two or three poses for you to choose from. However, please note that multi-poses will depend upon several factors. We will attempt to shoot the different poses but will always keep your child's well being in mind at all times and will stop their session upon them showing any signs of being upset or distressed. In this case we can only offer you the shots that we have managed to capture. Thank you.
