27th February 2024

Dear Parent,

World Book Day

- Next Thursday, 7th March.

World Book Day promotes supporting a child to read for pleasure by:

- Being read to regularly
- Having books at home and school
- Having a choice in what to read
- Finding time to read
- Having trusted help to find a book
- Making reading FUN!

As part of the celebrations this year, teachers are asking all children to create a book in a box/plastic jar which will be presented to their class peers on World Book Day. This container should have props/items/drawings related to their favourite book as the example below shows:

This box illustrates the book **'Goldilocks and the Three Bears'**

Every child will have an opportunity to share this with their class, so all other pupils have an opportunity to guess the title of the book. This activity is to encourage children to explore the pleasure of books all around them and to share their joy of reading with their school peers.

Yours sincerely

Miss K Oliver
